## Hattrick movie full cast

The 1992 film, Boomerang, is an exciting rom-com led by Hollywood OG Eddie Murphy. The film, which was a commercial success, represented a deep bench of talent. Here's a look at how much personal wealth the movie star has accumulated since then. Eddie Murphy and Robin Givens in 'Boomerang' | Paramount Pictures/Getty Images 'Boomerang' an inverted script for the romantic comedy Boomerang revolves around an advertising professional and womanizer named Marcus. When a manager named Jaqueline throws herself into it and lands the job Marcus believes he deserves, he also steals his heart and then breaks it. While licking his wounds, Marcus hangs out with his best friends Tyler and Gerard and his creative colleagues Angela, Bony T and Strangé. The film garnered laughs and poached in more than \$131 million, according to Box Office Mojo. Based on the success of the film, it is no surprise that the cast members have acquired subsequent significant roles. Here's how the stars stack up today when it comes to wealth, according to Celebrity Net Worth. Eddie Murphy as 'Marcus' RELATED: 'Beverly Hills Cop': How many stars are worth today? Since headlining comedy shows that grabbed the spotlight on the big screen, Saturday Night Live alum Murphy has worked hard and built a huge fortune. The star is worth an estimated \$200 million. And with numerous projects on the horizon, Murphy has the potential to earn even more. Next up, fans can catch Murphy in Coming 2 America, a sequel to his 1988 hit, Coming to America. Martin Lawrence as 'Tyler' RELATED: What is the cast of 'Martin' 'Worth Today'? Like Murphy, Martin Lawrence rose to fame as a standup comedian. He starred in the hilarious sitcom Martin and became a successful movie star. His latest feature, Bad Boys for Life, poached in more than \$400 million, according to Box Office Mojo. And he is attached to the film's follow-up installment alongside co-star Will Smith. Lawrence built an estimated \$110 million fortune. Halle Berry as 'Angela' Oscar winner Halle Berry was a relative newcomer when she won fans' hearts in Boomerang. She has since become a megastar with a slew of hits under her belt. Movie buffs can recognize Berry from Monster's Ball, Swordfish and the X-Men series. With several memorable performances in her rearview mirror, Berry has built an impressive level of wealth estimated at a total of \$90 million. Chris Rock as 'Bony T' RELATED: 'Fargo' Star Chris Rock calls the role the best of his career – Here's why joining his fellow standup comedians in Boomerang, Chris Rock has added heart and humor to the film as a mail room worker and office gossip. Over the years, Rock has built a reputation as a socially conscious entertainer with a remarkable wit. He is a film star, director, producer and writer who has a huge influence in the arts and entertainment. Rock took a dramatic turn in his latest project, Fargo, fx crime drama anthology series and soon grace the big screen in the latest horror movie in the Saw series. Rock's net worth is estimated to have been investigated at \$60 million. Grace Jones as Strangé Model, actor, singer and electric personality Grace Jones delivered a showstopping performance in Boomerang. Best known for strong characters such as Zula in Conan Destroyer and May Day in A View to a Kill, Jones has maintained a presence in Hollywood since the early 1970s. The scene thief is worth an estimated \$7 million. David Alan Grier as 'Gerard' RELATED: 'In Living Color' Alumni Jamie Foxx and David Grier are coming together for a new project TV enthusiasts recognize actor and comedian David Alan Grier for his success in a long-running small-screen role. He became a sketch comedy icon in Fox's Vivid Colors and vaulted to sitcom success in life with The Bonnie and Carmichael Show. Next, the funnyman will co-star in Dad Stop Embarrassing Me alongside fellow living color alum, Jamie Foxx. Grier has an estimated fortune of \$4 million. Robin Givens as 'Jacqueline' Robin Givens rose to fame as a TV star in the 1980s. After a series of guest roles, she landed the role on the leadership class for five seasons. She went on to appear on both large and small screens, including a very juicy part as former Mayor Sierra McCoy at the CW's Riverdale. Given's net worth is estimated at \$2 million. Tisha Campbell-Martin as 'Yvonne' Tisha Campbell | Time Life Pictures/DMILIFE Picture Collection via Getty Images RELATED: 'House Party' 30 Years Later: How Much Is The Cast Worth Today? Tisha Campbell-Martin made a brief but memorable appearance in Boomerang as Marcus' neighbor and dumped lover, Yvonne. Fans will recognize Campbell-Martin as an actor, singer and dancer who has appeared in Little Shop of Horrors, House Party, Martin, My Wife and Children, and other high-profile titles. It's estimated to be worth \$500,000. Follow Erika Delgado on Twitter. I've tried several movie-listing apps, and generally range from comically bad to only competent. This app from Flixster, simply called Movies, puts all other apps to shame. Attractively designed, Movies has an intelligent interface that allows the user to see what flicks they play, and it includes plenty of other neat features, too. Categories that can be browsable include Box Office, Theaters, Upcoming, DVDs and My Movies. Simple Checkout statements allow you to browse by movie title. You see each movie score on the popular review website Rotten Tomatoes, lead actors, ratings, movie length, and also how much money the movie has earned so far. If you click on a specific title, you'll get even more information, such as showtimes, a video link to the trailer, photos, synopsis, extended cast list, critic and user reviews (you can add your own review as well) and links to other movie websites. On the Theatre tab, you can search for theatres in your area either by name or by distance from your postcode Range. It can load theaters on Google Maps as well. The Upcoming tab lets you watch movies that are coming out soon. Both this card and the one for new DVD versions are as easy to browse as the Checkout Statements tab and contain similar information. My Movies lets you customize your app with lists of favorite movies, reviews, pictures, and so on. It can also connect and work with websites like Facebook, Flixster and Netflix. The app is not error-free. Occasionally the loading time for the screen is a touch on the slow side. It is also known that the app has problems with some phones such as HTC Hero. Still, overall, it's a huge app that does a lot of things right. Note: When you buy something by clicking on the links in our articles, we can get a small commission. Read our affiliate link policy for more information. Some people count down the days until New Year's Eve - or Christmas, or Hanukkah. This year, for many, there was another hotly anticipated holiday: the premiere of Greta Gerwig's Little Women. Gerwig is the eighth director to bring Louisa May Alcott's classic novel to the screen. The last adaptation, directed by Gillian Armstrong in 1994, starred Winona Ryder, Kirsten Dunst and Christian Bale. When Gerwig learned that producer Amy Pascal hoped to make a new version in 2019, she knew she wanted to participate in the project. I think I went in and told her that I was the only one to film, Gerwig told The New York Times, and that I thought it was about art and women and money. Gerwig was brought in to write the screenplay in 2016 and was also hired as a director after the success of her film Lady Bird. If Lady Bird taught us anything about Gerwig, it was that polymath knows how to tell a coming-of-age story – and how to cast one. Not only is she bringing back Lady Bird alumni Saoirse Ronan and Timothée Chalamet (and their undeniable chemistry), but she tapped Meryl Streep, Laura Dern, Emma Watson, and others to play Jo March family members. Read on for a complete guide to casting the characters in Alcott's beloved novel – and on all the famous faces we'll see on screen December 25th. Picture: United Artists Western genre helped propel many great actors to superstardom as they wore those hats and shoes, then rode horses towards sunset, until their director shouted Cut! Do you remember the celebrities? Since the Western film genre is as old as Hollywood filmmaking itself, many Silent Film Era actors appeared in westerns at the time. Film historians identify William S. Hart as the first Western film hero to embody what we now know about typical Western film protagonists: an up-and-coming man who fights when needed and is honest in his intentions and actions. His 1925 silent film called Tumbleweeds began it all, and paved the way for future Western movie heroes to develop and evolve from this character's archetype. As the Western film genre flourished, made various Western movie heroes. The concept of an anti-hero came to be, with outlaws becoming the main protagonist of Western films. They may not have the honor and integrity of a typical Western hero, but these characters have given the Western character a more nuanced context. Now they seemed like a more human and less perfect hero. In the process, they also became relatable to the audience. Until now, western as a genre is still being revised and reformed. But the big-named stars still want to play in them because they see it as a good opportunity to contribute to the Western genre. So, can you name the movies where these actors played cowboys, outlaws or Western in-betweens? Come on in and take a quiz, pardna! TRIVIA Can you name a Western movie from a one-sentence description? 7 min Quiz 7 min TRIVIA Can you identify these John Wayne movies in just one shot? 7 min Quiz 7 Min TRIVIA Can we give you 3 words, will you tell us which '60s movie are going with the 6 Minute Quiz 6 Min TRIVIA can you identify TV West from its cast? 6 Minute Quiz 6 Min TRIVIA How well do you remember Popular Western, Hondo? 5 Minute Quiz 5 Min TRIVIA Can You Match These Actors on Their '60s and '70s TV Shows? 7 min Quiz 7 Min TRIVIA The Wild Bunch Movie Quiz 6 Minute Quiz 6 Min TRIVIA Title John Wayne Movie from screenshot 6 min Quiz 6 Min TRIVIA can you match these actors on their 1950s TV shows? 7 min Quiz 7 Min TRIVIA can you name an '80s movie from a single hint? 6 Minute Quiz 6 Min How much do you know about dinosaurs?
